

AEW Cartoon Pilot  
Episode 1.1 "Oh My God, They Took Kenny!" and Episode 1.2 "She  
Came From the Stars."

written by John Bilancini

Based upon characters from All Elite Wrestling

June 28, 2020

Made in Highland

Episode 1- Oh My God, They Took Kenny!

**INT. GYM**

Cody Rhodes, Adam Page, and the Young Bucks are working out and talking about the big match tonight occurring at Daily's Place.

MATT JACKSON

Man I can't wait for tonight!  
Kenny is facing Mox for the  
championship! Who do you think is  
gonna win, Cody?

CODY RHODES

Jon Moxley is a monster but c'mon  
is there any doubt? The  
championship belt is finally going  
to belong to a member of The  
Elite.

NICK JACKSON

That reminds me. Has anybody  
spoken to Kenny today?

Cut to:

**INT. JAPANESE ARCADE**

Kenny Omega is playing Street Fighter Turbo. Anime soundtrack is playing in the background.

KENNY

I love this game! I hope there  
wasn't something I was supposed to  
do today. I could stay here all  
week!

Chris Jericho enters the arcade, followed by Sammy, Santana, and Ortiz.

JERICHO

It's Kenny Omega. I hate that guy!

SAMMY

Who does he think he is,  
challenging for the championship?  
We all know there's only one Le  
Champion!

Made in Highland

JERICHO

Let's not give him the opportunity. Santana and Ortiz, take care of him.

Santana and Ortiz approach Kenny from behind while he continues to play the game. Kenny is completely oblivious to their presence. Ortiz pulls out a large burlap sack. Santana scoops up Kenny and tosses him in the sack.

KENNY

Hey I had one more guy left!

Shot of inside of the sack. Kenny pulls a Nintendo Switch out of his trunks and begins playing.

JERICHO

C'mon boys, let's get him back to Inner Circle headquarters. We'll keep him occupied while the REAL CHAMPION takes on Jon Moxley tonight.

CUT TO:

**INT. GYM**

Cody, Adam Page, and Nick Jackson are still working out. Matt Jackson is holding a cell phone to his ear. He shuts it off and puts it away.

NICK JACKSON

Still no answer?

MATT JACKSON

Nope. Kenny's not picking up and the match is only three hours away. That reminds me, haven't we been working out for like 10 hours now?

CODY RHODES

If you want to be The Elite you need to put in the work. But don't worry about that for now. We need to find Kenny. We'll split up and enlist help. Let's do it!

Cody, Page, Matt, and Nick all high five, and race out of the gym. Cody pops back in for a moment, picks up a dumbbell, looks to camera, and does a few more quick curls. He then puts the weight down and exits.

Made in Highland

CUT TO:

**INT. INNER CIRCLE HEADQUARTERS**

Various heels are lounging around in Inner Circle headquarters, which is patterned after the headquarters of Legion of Doom in Super Friends. Butcher and the Blade, Nyla, Mr. Brodie Lee, Britt Baker, Stu and Evil Uno are there. Jericho, Santana, Ortiz, and Sammy enter. Santana dumps Kenny out on the floor.

NYLA ROSE

What kind of operation are you running here, Jericho? This is a cool hangout spot but now you're bringing members of The Elite in?

JERICHO

He's not a guest, Nyla. He's a prisoner.

Kenny looks up from his game.

KENNY

I am?

JERICHO

Never mind. Just go back to your video game.

EVIL UNO

Is that Final Fantasy 7?

KENNY

Sure is.

EVIL UNO

Can I get next?

KENNY

Yeah but it might be awhile.

JERICHO

Focus! We need to keep Kenny here until after the match tonight.

KENNY

Oh, right. The match. I need to get ready!

JERICHO

Tie him up!

Butcher and Blade move to tie Kenny to a chair.

Made in Highland

KENNY

Not so tight around my hands. I can barely reach the controls.

BRITT BAKER

While you're in the chair I can check you for cavities if you'd like.

CUT TO:

**EXT. SWAMP**

The Young Bucks are walking a path surrounded by thick vegetation. Animal sounds and the buzzing of insects surrounds them. They approach murky water.

MATT JACKSON

They've got to be around here somewhere.

POV facing the Young Bucks. A large figure rises out of the water, its shadow bathing Matt and Nick in darkness. It lets out a huge roar.

NICK JACKSON

There you are. How are things, Luchasauras?

LUCHASAURAS

Oh hello, gents. I'm doing well. I've been teaching medieval history to the frogs and snakes. To be perfectly honest, the snakes aren't happy with their representation throughout history. What brings you two out here?

MATT JACKSON

We're trying to find Kenny. His big match is in a few hours and we haven't heard from him. Have you seen him?

LUCHASAURAS

I'm afraid I have not, but maybe one of my young chums has.

Luchasauras looks towards the jungle growth.

LUCHASAURAS

Jungleboy? Marko?

Made in Highland

The Jacksons and Luchasauras hear a Tarzan-like cry. Jungleboy swings in on a vine. Marko comes tearing through the weeds and scrub on the jungle floor, reminiscent of the Tasmanian devil appearing.

LUCHASAURAS

Lads, have you seen Kenny? The Young Bucks can't seem to locate him.

Marko and Jungleboy vigorously shake their heads no.

LUCHASAURAS

Sorry, chaps. No luck, I'm afraid. But perhaps we can help. The Jurassic Express will accompany you on your search. We'll team up and take turns leading. A team tagging each other in. A tag team, if you will.

NICK JACKSON

Sounds good! We'll find Kenny in no time!

CUT TO:

**EXT. GATED MANSION**

Hangman Adam Page approaches the gate on his horse. He rings the call box. The butler (Wardlow) answers.

WARDLOW

You rang?

PAGE'S HORSE

Neigh

WARDLOW

Very funny. Is this one of those neighborhood punks from The Elite?

ADAM PAGE

It's Hangman. I need to talk to your boss right quick.

Wardlow buzzes the gate open. Page rides the horse to the front door. MJF opens the door.

MJF

What do you want?! The stench of poor on you is overwhelming!

Made in Highland

ADAM PAGE

Uh, I think that's the horse. It looks like Abigail had an accident. Anyway, I'm here because we're looking for Kenny and I was wondering if you'd seen...

MJF

She pooped on my front steps?! Do you have any idea how much it'll cost to clean that up?! They're marble! Get out of here, now! Why don't you look for Kenny wherever it is that poor losers hang out! I don't know where that is because I'M RICH. I'M BETTER THAN YOU, AND YOU KNOW IT!

CUT TO:

**EXT. SHORE BOARDWALK**

Cody approaches a volleyball game taking place on the sand. On one side of the net is Joey Janela and Sonny Kiss. On the other side is Best Friends and Orange Cassidy. Joey hits the ball over and it hits Orange Cassidy in the chest because his hands are in his pockets. The ball falls to the sand.

ORANGE CASSIDY

Out.

CODY RHODES

Hey everybody. Glad to catch you all here. I'm trying to find Kenny...

ORANGE CASSIDY

If you want to play you can be on their team.

CODY RHODES

...because he's missing and the big title match is in just a few hours.

ORANGE CASSIDY

We have three players and they only have two. So if you join their team it'll be even.

CODY RHODES

Nobody's seen him? Trent? Chuckie T? Joey? Sonny?

Made in Highland

They all shake their heads no.

CODY RHODES  
OC?

ORANGE CASSIDY  
Okay it's your serve. Side out.

CODY RHODES  
Oh brother.

CUT TO:

**INT. DAILY'S PLACE**

Jon Moxley is pacing back and forth in the ring. Tony Khan is conversing with Aubrey Edwards.

AUBREY  
Look, if Kenny doesn't show up I have to call this match for Mox. Rules are rules.

Jericho and the rest of Inner Circle enter. Jericho has a microphone.

JERICHO  
That's right, rules ARE rules. And the AEW rules say that we have a rankings system. And it just so happens that Le Champion is next in the rankings. So I demand to wrestle Jon Moxley for the title right now!

MOX  
Sure, okay. Doesn't matter to me who I beat.

Cody, The Young Bucks, Best Friends, Orange Cassidy, Sonny Kiss, Joey Janela, Luchasauras, Marko, and Jungleboy race into the arena. Adam Page gallops in from behind on his horse.

MATT JACKSON  
Oh no, we're too late!

NICK JACKSON  
Cheated by the Inner Circle once again!

PAGE'S HORSE  
Neigh!

JERICHO  
Aubrey Edwards start the match!

Made in Highland

Kenny Omega saunters in down the ramp.

KENNY

Hey guys.

CODY RHODES

Kenny! Where have you been.

KENNY

The arcade. Oh and then Inner Circle tossed me in a sack and took me to their headquarters. They tied me to a chair. And Britt Baker checked me for cavities. Cavity free! She let me choose a toothbrush. I got an orange one!

Camera cuts to Orange Cassidy. He gives his half thumbs up.

ADAM PAGE

They kidnapped you? Those no good varmints.

KENNY

Yeah but it was cool because I had my Nintendo Switch with me. But then the battery died, so I wiggled out of the ropes and came here because I figured somebody would have a charger. Oh, also for the title match against Mox.

AUBREY

Jericho, I'm ready to start the match now. Once you get out of the ring.

JERICHO

OMEGA! I HATE THAT GUY.

Blackout.

**Live Action Intermission**

Brandon Cutler explains RPG Terms

Episode 2- She Came From the Stars!

**EXT. THE WOODS**

The Young Bucks, Broken Matt Hardy, and Adam Page are gathered around a campfire.

MATT HARDY

...and that was when I told Julius Caesar, "have you considered selling pizza?"

NICK JACKSON

How old are you again, Matt?

MATT HARDY

My vessel is normal human age, but my ESSENCE is ancient.

ADAM PAGE (under his breath)

Maybe he should have told Caesar to avoid the Senate instead.

MATT HARDY

What's that?

ADAM PAGE

Oh nothing. Hey, look at that!

A bright flash crosses the sky, appearing to fall to earth in the nearby woods.

MATT HARDY

Oh my! I remember when Aristotle and I saw Halley's Comet appear in the night sky.

MATT JACKSON

That's great Matt. Maybe we should check it out.

MATT HARDY

Tremendous idea! I will send out my drone NEO 1 to investigate. It will lead us to the source of the illumination!

NEO 1 flies off into the woods looking for the light source. The Young Bucks, Adam Page, and Matt Hardy trail behind it.

CUT TO:

Made in Highland

**EXT. CLEARING IN THE WOODS**

NEO 1 is floating over a patch of scorched grass and a metallic cylinder.

MATT HARDY  
Hail, fair NEO 1? What have you discovered?

NEO 1  
Bleep blorp buzzz

MATT HARDY  
Aah. Yes.

NICK JACKSON  
What did it say?

MATT HARDY  
It is a craft. We must open it.

All four wrestlers search the exterior of the craft but cannot find a latch anywhere. The Young Bucks look at each other and shrug. They each inch four to five steps away on either side of the craft.

YOUNG BUCKS (together)  
Superkick party!

The Young Bucks kick either side of the craft at the same time. It pops open with a hiss. A fog rises from the craft. Once it clears, a young woman (Kris Statlander) pokes her head out of the craft.

MATT HARDY  
What is this?

ADAM PAGE  
That's called a woman, Matt.

MATT HARDY  
I am aware, man who hangs!

ADAM PAGE  
Hey, you asked.

Matt Hardy addresses Kris.

MATT HARDY  
Are you of this world?

In response, Kris Statlander reaches out and boops Matt Hardy on the nose.

MATT HARDY

What a marvelous greeting! And a boop to you as well!

NEO 1

Zap bop bleep

MATT HARDY

NEO 1 says that it has searched its databases and identified the origins of this vessel. It is from the Andromeda Galaxy, and the woman before us is an Andromedan.

MATT JACKSON (to Nick)

That was going to be my first guess.

NICK JACKSON

Can NEO 1 communicate with her?

MATT HARDY

NEO 1! Please make contact!

NEO 1 flies close to Kris. It lets out a series of electronic sounds. Kris nods, then delivers a series of three boops to the front of the drone. NEO 1 turns back towards Matt Hardy.

NEO 1

Zap, glork, beep, beep.

Matt nods, then breaks into a big grin.

MATT HARDY

Yes. Yes! Magnificent! Man Who Hangs, Bucks of Youth, we must bring her back to AEW without delay.

ADAM PAGE

Care to explain first?

MATT HARDY

No time! Galaxy's Greatest Alien, come!

Matt Hardy exits, followed by NEO 1. Kris Statlander gets out of her craft and follows as well. The Young Bucks and Hangman Adam Page look confusedly towards one another, then resignedly follow.

CUT TO:

Made in Highland

**INT. AEW HEADQUARTERS**

Cody is with Shida, Luchasauras, Jungleboy, and the Best Friends. They are discussing the matches for that night.

CODY RHODES

Tonight is the tag team  
spectacular, folks. We've got a  
heck of a lineup: Jurassic  
Express, you'll be wrestling the  
Lucha Bros.

LUCHASAURAS

It will be an amazing spectacle!  
Isn't that right, Jungleboy?

Jungleboy throws up rock devil horns with both hands.

CODY RHODES

Best Friends, right now we've got  
you facing MJF and Wardlow.

TRENT

His butler?

CHUCKIE T

I guess when they lose Richie Rich  
will say that the butler did it.

Cody chuckles. Trent and Chuckie T high five.

CODY RHODES

We've also got Page and Omega  
versus Proud and Powerful, Jericho  
and Sammy Guevara facing The Young  
Bucks, and for the main event, the  
newly announced women's tag team  
championship, Nyla Rose and Dr.  
Britt Baker versus Shida and  
Brandi!

Brandi emerges from O.S. She has a thermometer in her mouth and is wearing a bathrobe. She punctuates her arrival with a violent blowing of her nose.

BRANDI

I'm sorry dear, but there's no way  
I'm going to be able to wrestle  
tonight. I've come down with  
something.

Shida gasps. The Best Friends put their palms to their cheeks like Macaulay Culkin in Home Alone. Luchasauras roars.

Made in Highland

LUCHASAURAS

Sorry, had something stuck in my throat. Oh my! It's terrible that you aren't well. Plus, who will team with Shida to challenge for the title?

CODY RHODES

This could be disastrous.

Matt Hardy enters, followed by the Bucks, Hangman, NEO 1, and Kris Statlander.

MATT HARDY

It appears that our timing is most fortuitous!

Cody glances at Kris.

CODY RHODES

Who's this?

ADAM PAGE

We found her in the woods.

NICK JACKSON

She was in some sort of ship.

MATT HARDY

YES! We discovered her in her craft! Her means of communication consist of tactile IMPRESSIONS.

ADAM PAGE

He means she boops your nose.

Kris Statlander reaches out and boops Jungleboy. He giggles.

MATT HARDY

Luckily my trusted companion NEO 1 is able to communicate with her, and when it told me her tale I knew I had to bring her here WITHOUT DELAY. You see, the woman before you is not of this world. She is an alien, the Galaxy's Greatest Alien, to be specific. That galaxy being Andromeda, and that alien being Kris Statlander.

SHIDA

An alien?!

Kris responds by smiling and booping Shida on the nose.

Made in Highland

MATT HARDY

Affirmative, Shida! Not only is Kris an alien, she's a wrestling alien. The last of her kind. She escaped her planet shortly before its destruction and set a course for Earth, seeking AEW!

LUCHASAURAS

Wrestling aliens exist?

TRENT

Wrestling dinosaurs exist?

LUCHASAURAS

Touche.

MATT HARDY

Now that she's here, we can make Kris feel welcome by having her team with Shida!

BRANDI

Wow, a lot happened since I came down with a bug.

CODY RHODES

It's all part of the excitement of pro wrestling! What do you say, Shida? Would you like to tag with Kris?

SHIDA (excitedly)

Oh yes!

CODY RHODES

And you, Kris?

Kris excitedly boops Cody on the nose.

CODY RHODES

Looks like we've got ourselves a team.

CUT TO:

**INT. DAILY'S PLACE.**

Excalibur, JR, and Tony are calling the action. The Best Friends and MJF and Wardlow are wrestling. Scene starts on the announce table and then POV shifts to the ring.

Made in Highland

TONY SCHIAVONE (O.S.)  
 What and exciting evening of AEW  
 tag team wrestling we've had here  
 tonight. Wouldn't you say, JR.

JR (O.S.)  
 That's right, and right now we've  
 got a real slobberknocker  
 happening in the ring. Trent and  
 Chuckie T are really taking it to  
 MJF and his butler Wardlow.

Chuckie T whips MJF against the ropes. MJF rebounds and Chuckie  
 T scoops him up and throws him out of the ring, onto Wardlow  
 who is standing ringside. Trent enters the ring and he and  
 Chuckie T meet in the center of the ring, and hug. The camera  
 zooms in on them and then out again. Cut to the announcers.

TONY SCHIAVONE (O.S.)  
 And there's the hug!

EXCALIBUR (O.S.)  
 You have GOT to give the people  
 what they want!

TONY SCHIAVONE (O.S.)  
 Speaking of giving the people what  
 they want, up next we've got the  
 main event for the new women's tag  
 championship. It's the Native  
 Beast Nyla Rosa and my best friend  
 Dr. Britt Baker versus Shida and a  
 new mystery partner.

JR (O.S.)  
 But first Trent's got Wardlow up  
 and he suplexes him! He's got the  
 cover, and it's one, two, three!  
 The Best Friends win!

TONY SCHIAVONE (O.S.)  
 And that rich jerk MJF loses!

EXCALIBUR (O.S.)  
 Coming up now folks, it's the  
 moment that you all have been  
 waiting for. Nyla Rose and Dr.  
 Britt Baker are in the ring now.  
 The boos are raining down on them.

TONY SCHIAVONE (O.S.)  
 They're saying boo boo, Britt!  
 Because you're a dentist and you  
 fix people with tooth boo boos.

Made in Highland

EXCALIBUR (O.S.)  
 Oh brother. And here come their  
 opponents.

Shida enters the ring, followed by Kris Statlander. Kris does a  
 handstand on the top rope and then flips into the ring.

JR (O.S.)  
 Oh wow would you look at that.  
 This is going to be a knock down  
 drag out brawl.

TONY SCHIAVONE (O.S.)  
 I had a chance to talk to Matt  
 Hardy earlier today and he tells  
 me that Kris Statlander is an  
 actual alien, from the Andromeda  
 galaxy.

EXCALIBUR (O.S.)  
 A real alien? I guess if Matt can  
 be thousands of years old, Kris  
 can be from thousands of light  
 years away.

JR (O.S.)  
 Now I have seen a lot of things in  
 my day but I do believe calling a  
 match with an alien in it is a  
 first for me.

TONY SCHIAVONE (O.S.)  
 Let's check out the action in the  
 ring.

Britt and Shida start. They execute a number of athletic  
 maneuvers, tossing each other into the ropes and hitting drop  
 kicks, nothing too violent since it is a children's cartoon.  
 They each tag their partner in.

TONY SCHIAVONE (O.S.)  
 Here we go!

Nyla Rosa stalks Kris around the ring. Just as she lunges at  
 Kris to tie her up, Kris jumps in the air and levitates. Nyla  
 misses and flies through the ropes.

JR (O.S.)  
 Now what do you call that  
 maneuver, Excalibur?

EXCALIBUR (O.S.)  
 That's not one I've ever seen when  
 I was calling luchadore matches.

Made in Highland

Nyla climbs back in the ring. She's clearly furious and runs directly at Kris. Kris jumps over Nyla, and they begin to move in slow motion. While upside down above Nyla's head, Kris boops Nyla's nose. Everything suddenly goes back to full speed. Nyla's eyes go wide and she loses her balance, flailing into the ropes. Kris lands on her feet, does a front handspring over the ropes, and tags Shida in. Nyla trips forward and falls in the ring near Shida and Kris's side. Shida springboards over the rope and splashes onto Nyla. Ref Bryce Remsburg begins to count.

BRYCE

One, two, three!

Shida jumps up triumphantly. Kris joins her in the ring. She boops Shida and Bryce's noses. Bryce raises their hands in victory.

JR (O.S.)

And there are boops all around  
from our inaugural tag team  
champs!

EXCALIBUR (O.S.)

The team that is out of this  
world! Welcome to Earth and  
welcome to AEW, Galaxy's Greatest  
Alien!

TONY SCHIAVONE (O.S.)

Oh Britt's not going to be happy  
about this at all.

BRITT BAKER (O.S.)

TONY!!!!!!!!!!

Blackout.
